

THE GLAUCOMA FOUNDATION
OUT VISION-YOUR SIGHT

and fund scientific research into the potentially blinding disease of glaucoma.

THE SECOND ANNUAL TGF ART CHALLENGE TO CELEBRATE VISION

You can enter the Challenge in one of the three levels below by submitting a digital version of your work – an original photograph, drawing, painting, collage, print, glasswork, or sculpture in any medium. Jewelry artists are welcome too! _____

Entry Level	Total donation level required to bring submitted
Young Artists	\$250 (\$500 with dollar-for-dollar match)
Amateur Artists	\$550 (\$1,000 with dollar-for-dollar match)
Professional Artists	\$1,000 (\$2,000 with dollar-for-dollar match)

YOUR ART COMES INTO FOCUS

Until total donations in support of your artwork reach the required Donation Focus level, your artwork will appear blurry and pixelated on your Challenge page.

Gifts on your page will bring your work into full focus and qualify it to move into our virtual art gallery at the end of the Challenge on September 15th!

VIEWERS VOTE

At the close of fundraising, we will invite everyone to place a vote for their favorite artwork.

\$500 AWARDS ARE ANNOUNCED

The first award will be announced on September 15, 2021 at 5:00 pm EDT for the artist with the most donations. The second award will be announced on September 22, 2021 at 5:00 pm EDT for the artist with the most votes.

RESEARCH IS ADVANCED

Every dollar raised through the TGF Art Challenge will support new and innovative research and our mission to improve the lives of those affected by glaucoma, “the silent thief of sight.”
