## The *Biophysical Journal* Va es U arcel P. 8oldche -Oh the O Paper of the Year-Early Career I estigator A ardee

ROCKVILLE, U D – Marcel P. Goldschen Ohm, of the

The Biophysical Society, founded in 1958, is a professional, scientific Society established to lead development and dissemination of knowledge in biophysics. The Society promotes growth in this expanding field through its annual meeting, publications, and committee and outreach activities. Its 7,000 members are located throughout the United States and the world, where they teach and conduct research in colleges, universities, laboratories, government agencies, and industry.
